DEPARTMENT OF CORRECTIONS

RULE NO.:      RULE TITLE:

33-601.731      Suspension of Visitation Privileges

33-601.732      Reinstatement of Suspended Visiting Privileges

NOTICE OF CORRECTION

Notice is hereby given that the following correction has been made to the Notice of Proposed Rule published in Vol. 43, No. 102 (May 25, 2017) of the Florida Administrative Register. Section 120.54(3)(a)1., Florida Statutes, requires the notice of proposed rule to include whether “based on the statement of the estimated regulatory costs *or other information expressly relied upon and described by the agency if no statement of regulatory costs is required, the proposed rule is expected to require legislative ratification.*” (Emphasis added). A statement of estimated regulatory costs was not prepared. Therefore, the notice should have included a statement as to what information was relied upon in reaching the stated conclusions. The proposed rule is hereby corrected with the following statement:

The Department has determined that the proposed rule is not expected to require legislative ratification based on the SERC or, if no SERC is required, the information expressly relied upon and described herein: the Department used an itemized checklist to conduct an economic analysis and determine if there is an adverse impact or regulatory costs associated with this rule that exceeds the criteria in s. 120.541(2)(a), F.S.
