Florida County Detention Facilities

August 2017

Inmate Profile Summary

This report summarizes county information mandated to be collected by F.S. § 951.23(2) and submitted to Florida Department of Corrections. It provides a monthly profile of inmate populations inside Florida's detention facilities. For counties that can not submit data using standardized instruments it provides approximated data.

Table 1, pages 1 & 2, features the Average Daily Population and incarceration rate in each county.

Table 2, pages 3 & 4, lists the number and percent of felony and misdemeanor pretrial inmates at each detention facility.

The Jail Population Summary (Table 3, page 5) lists detention center totals for the year to date.

Average Daily Population

As reported, there were an estimated 53,498 inmates in Florida's county detention facilities during the month of August 2017. In comparison, in August 2016, there were 53,250 inmates incarcerated by county facilities in Florida. This is a 0.5% increase from last year.

Questions pertaining to the statistics in this report, mailing lists, jail data, F.S. § 951.23(2), or requests for additional forms should be directed to the Florida Department of Corrections Bureau of Research & Data Analysis at: (850) 717-3647. E-mail address: dcresearch@mail.dc.state.fl.us

Note: County population figures are estimates of the April 1, 2016 population as calculated by the University of Florida, Bureau of Economic and Business Research.

*If August's jail population for a facility was not transmitted at the time this report was published, then population numbers from another month are used in the place of the missing data and the date for these numbers is given. If the information transmitted to the Department did not conform to the standards established by the instrument developed per §951.23(2), but the month's population average was provided, then "Date Reported" will reflect the current month.
