Re: Work Squad Contract #WS536

Dear Mr. Trovillion:

Susan Volpitta, our APCI Work Squad liaison here at South Florida Community College, recently took time to tell me about the wonderful working experience she has had with the APCI Work Squad. Susan has been particularly pleased with the flexibility and cooperation of the officers and the hard work of the work crew each and every time we ask for services.

The past couple of months have been extremely busy months for events in the College's gym, and we recently needed to have the gym floor mats put down and taken up three weeks in a row. Even though the work squad has other obligations in our community, they were willing to work out the details to accommodate our needs.

I would like to extend our sincere appreciation for all the cooperation South Florida Community College has received from the APCI Work Squad over the past several years. But, it appears that special thanks are in order for the extraordinary cooperation and assistance of late. Thanks to all!

Sincerely,

Glenn W. Little
Vice President for Administrative Affairs
